

## TECHNICAL DATA SHEET

**PRODUCT:** KAVA EXTRACT HG9020

**ITEM NUMBER:** 05-5503

**INCI NAME:** *Piper Methysticum Extract; Hexylene Glycol*

**REACH PRE-REGISTRATION (HG) #:** 05-2116490178-36-0000

**CAS NUMBER:** 84696-40-2; 107-41-5

**EINCES NUMBER:** 283-648-9; N/A

**DESCRIPTION:** A hexylene glycol extract of the root of the Kava Kava plant. Because it is not a concentrate, alcohol is not used in the extraction process. The Kavalactone profile is equivalent to the natural root. Therefore it may be used as a traditional Kava-Kava extract infusion in personal care products.
